- 4 The presentation must be primarily spoken and be the learner's own work. The delivery cannot be heavily reliant on written notes. Cue cards should only be used for support. Visuals may include a minimal amount of written text, which should not be assessed as part of this standard.
- 5 The quality of the selection of the spoken presentation, considered as a whole, is more important than the length. However, the presentation must be long enough to generate sufficient evidence for quality assessment. Suggested time for a presentation is two minutes (excluding the traditional greeting or personal introduction).
- 6 It is recommended that:
 - i the outcomes are assessed as part of an integrated unit of work, relevant to the learning context of the learner;
 - ii assessment be conducted in conjunction with assessment against other Vagahau Niue unit standards at this level.
