Official Information Act Request

Thank you for your request of 30 March 2024, under the Official Information Act 1982 (OIA), for the following information:

Are you able to provide a list of New Zealand Certificates/Diploma's that contain one or more first aid unit standard (limit to unit standards 6400, 6401, 6402); and then a summary of the forementioned certificate/diploma completions for the 2023 calendar year please (i.e. number of graduates per qualification).

Response

As discussed, and agreed with you, the data we have provided is for the 2022 calendar year. When the 2023 data becomes available later this year, we will provide that to you.

New Zealand Certificates and Diplomas do not usually specify unit standards in the qualification document itself. Instead, providers include standards in programmes leading to the relevant New Zealand Certificate or Diploma.

In 2022, there were 111 New Zealand Certificates and Diplomas with programmes that included one or more of the first aid unit standards 6400, 6401, and 6402. The list of New Zealand Certificates and Diplomas and number of graduates per qualification is included in the attached spreadsheet (PRS-5471 OIA OC00744 - Programmes with First Aid Stds v1.1).

Please note our response may be published on our website after five working days. Your name and contact details will be removed before publication.

If you require further assistance or believe we have misinterpreted your request, please contact Elizabeth Templeton in the Office of the Chief Executive, email elizabeth.templeton@nzqa.govt.nz or telephone (04) 463 3339.

You have the right to seek an investigation or review by the Ombudsman of this decision under section 28(3) of the Official Information Act 1982. Details of how to make a complaint can be found at www.ombudsman.parliament.nz. You can also telephone 0800 802 502 or write to the Ombudsman at PO Box 10152, Wellington, 6143.
