Official Information Act Request

Thank you for your request of 1 September 2025, under the Official Information Act 1982, for the following information:

Information about Current and Expiring qualifications in the NZQF, specifically:

- Qualification number
- Award name
- Level
- Strategic purpose statement
- Graduate profile
- Education pathway
- Employment/cultural/community pathway
- Qualification developer
- Relevant standard-setting body (if any)
- New Zealand Standard Classification of Education (NZSCED) code
- NZSCED descriptor
- Qualification status
- Next review date

Information about current and expiring standards in the NZQF, specifically:

- Standard number
- Standard type
- Level
- Name or title
- Description of resulting skill ("People credited with this standard are able to...")
- Subject
- Sub-subject
- Domain
- Consent & Moderation Requirements number
- Consent & Moderation Requirements URL (PDF or Word, not both)
- Status
- Credits
- Standard-setting body

I attach two spreadsheets with the following information covered by your request.

The **Qualifications file** provides information about Current and Expiring qualifications in the NZQCF, specifically:

- Qualification number
- Award name
- Level
- Strategic purpose statement
- Graduate profile
- Education pathway
- Employment/cultural/community pathway
- Qualification developer [**includes Ministry of Education Number**]
- Relevant standard-setting body [included in the Developer column]
- NZSCED descriptor
- Qualification status
- Next review date
- **Type of qualification**
- **Credit value**

Unfortunately, our reporting system is not configured to enable the New Zealand Standard Classification of Education (NZSCED) code to be extracted. The NZSCED code is available on our website by selecting the option to **view full qualification details** should you need to access that information.

In addition to the information you have requested, our reporting system does enable us to provide the type of qualification, the credit value, and the Ministry of Education number of the qualification developer. We have included these should they be of value to you.

The **Standards file** provides Information about current and expiring standards in the Directory of Assessment and Skill Standards, specifically:

- Standard number
- Standard type
- Level
- Name or title
- Subject
- Sub-subject
- Domain
- Consent & Moderation Requirements number
- Status
- Credits
- Standard-setting body
- **Version number**

Unfortunately, our reporting system is not configured to enable us to extract:

- Description of resulting skill (“People credited with this standard are able to...”)
- Consent & Moderation Requirements URL (PDF or Word, not both).

This information is available on our website via the **Search Standards** function. We have included the version number for each standard should this be of value to you.

Please note that our response to your request may be published on our website after five working days from the date of this response. Your name and contact details will be redacted before publication.

If you require further assistance or believe we have misinterpreted your request, please contact Elizabeth Templeton in the Office of the Chief Executive, email elizabeth.templeton@nzqa.govt.nz or telephone (04) 463 3339.

You have the right to seek an investigation or review by the Ombudsman of this decision under section 28(3) of the Official Information Act 1982. Details of how to make a complaint can be found at www.ombudsman.parliament.nz. You can also telephone 0800 802 502 or write to the Ombudsman at PO Box 10152, Wellington, 6143.
