Official Information Act Request

Thank you for your request of 12 February 2025, under the Official Information Act 1982, for the following information:

I would like to obtain details on the distribution of students and their marks for the following scholarships from 2024: Calculus, Chemistry, Physics, Statistics.

I would like to see how many students got each possible mark out of the paper total (e.g. how many students got 24/32, 25/32, etc.).

Response

In response to your request, please see the attached spreadsheet *PRS-5916 OC01518 2024 Scholarship Marks v1.0* which contains the information requested and is presented by:

- Scholarship Subject
- Score:
 - Chemistry – possible to score between 0 – 32
 - Physics – possible to score between 0 – 32
 - Statistics – possible to score between 0 – 32
 - Calculus – possible to score between 0 – 32

Note:

- (i) Where a score (mark) is not in the data, there were no students who achieved that score.
 - (ii) Students who attended the examination but did not provide work for assessment, or did not attend the examination have been included (score represented as V and Y respectively).
- Count of students with that score.

Our response to your request may be published on our website after five working days. Your name and contact details will be removed before publication.

If you require further assistance or believe we have misinterpreted your request, please contact ministerials@nzqa.govt.nz.

You have the right to seek an investigation or review by the Ombudsman of this decision under
