Thank you for your request of 12 March 2026, under the Official Information Act 1982, for the following information:

I would like to obtain details on the distribution of students and their marks for the following scholarships from 2025: Calculus, Chemistry, Physics, Statistics, Digital Technologies.

I would like to see how many students got each possible mark out of the paper total (e.g. how many students got 24/32, 25/32, etc.).

Response

In response to your request, please see the attached spreadsheet *PRS-6574 OIA Scholarship results by mark for 2025 v1.0* which contains the information requested and is presented by:

 - Chemistry – possible to score between 0 – 32
 - Physics – possible to score between 0 – 32
 - Statistics – possible to score between 0 – 32
 - Calculus – possible to score between 0 – 32
 - Digital Technologies – possible to score between 0 – 24
- Count of students with that score.
