### Official Information Act Request

Thank you for your request which was transferred to the New Zealand Qualifications Authority (NZQA) on 4 September 2020 from the Ministry for Primary Industries. You are seeking the following information.

- *A list of course providers/trainers who can train people how to operate:*
  - *Horticultural Harvesters*
  - *Large Tractors*

Attached is a list of registered tertiary education organisations (TEOs) that hold NZQA approval for programmes leading to qualifications in agriculture, horticulture and automotive vehicle operation. This includes programmes that are general in nature but may contain a component relating to operating horticultural machinery and/or tractors.

NZQA has also included the postal address of the TEOs on the list, in case you wish to contact any of them.

This list only includes TEOs that are registered with NZQA. NZQA does not hold information on TEOs that operate outside New Zealand's regulated education and training system.

As part of the commitment to open and transparent government, NZQA is proactively releasing responses to Official Information Act requests which are of public interest. NZQA intends to publish its response to this request on its website in October 2020. Your name and contact details will be removed before publication.

If you require further assistance or believe we have misinterpreted your request, please contact [ministerials@nzqa.govt.nz](mailto:ministerials@nzqa.govt.nz).

If you are dissatisfied with our response, you have the right, under section 28(3) of the Official Information Act 1982, to lodge a complaint with the Office of the Ombudsman at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz). You can also telephone 0800 802 502 or write to the Ombudsman at PO Box 10152, Wellington, 6143.
