Official Information Act Request

Thank you for your request of 22 October 2020, under the Official Information Act 1982, for the following information:

Would it be possible to get the number of results reported by schools to date, but showing the number of achieved, merit and excellence results compared to the same time last year? Also broken down by region, decile and ethnicity.

I attach the following information covered by your request:

- NCEA Reported Results 2019 and 2020 as at 28 October 2020

Note:

- The number of results reported to NZQA by schools for 2020 as at 28 October is lower than for the same time in 2019 across all grades: Not Achieved, Achieved, Merit and Excellence. The proportional grade distributions, however, are in line with previous years.
- This year schools have deferred their assessment programmes to later in the year. This is in line with NZQA's advice provided to schools in May and June in response to the disruptions from COVID-19. Schools have also focused on those standards which are important for their students to continue their chosen pathway.
- With the 2020 school terms and holidays being altered in response to COVID-19, key reporting dates are later this year than last year. Results will continue to be reported by schools into December. NCEA examinations are being held from 16 November until 9 December 2020, followed by marking and results processing.
- The introduction of the additional Learning Recognition credits (LR credits) will support students in 2020. LR credits are designed to recognise the impact of COVID-19 disruption on teaching, learning and assessment, and to support students who may not be able to complete their normal assessment programme.
- Following NZQA's results release in late January, a more complete view of student achievement will be available.

As part of the commitment to open and transparent government, NZQA is proactively releasing responses to Official Information Act requests which are of public interest. NZQA intends to publish its response to this request on its website after results release in late January 2021. Your name and contact details will be removed before publication.

If you require further assistance or believe we have misinterpreted your request, please email ministerials@nzqa.govt.nz.

If you are dissatisfied with our response, you have the right, under section 28(3) of the Official Information Act 1982, to lodge a complaint with the Office of the Ombudsman at www.ombudsman.parliament.nz. You can also telephone 0800 802 502 or write to the Ombudsman at PO Box 10152, Wellington, 6143.

Nāku nā

Dr Grant Klinkum
Pouwhakahaere/Chief Executive
