### General Criteria that must be applied:

- The listed outcomes represent the minimum scores or grades for each test or qualification that qualify a student for enrolment at each programme level
- Students with higher scores or grades than required for a particular programme level may still enrol at that level
- Where the entry requirements for a programme are for a higher English proficiency outcome than is listed in the relevant row of the Table for the programme level in which the student is being enrolled, the student must meet that higher level
- Test results for any student must be verified through the test provider

### Test-specific Criteria that must be applied:

- The Cambridge English Qualifications must be taken at an authorised exam centre, school or external venue. All test scores must be from a single Statement of Results.
- The IELTS test must be taken at an official IELTS test centre. The scores must be from a single Test Report Form. The IELTS One Skill Retake can be accepted.
- The LanguageCert test must be taken at a LanguageCert approved test centre. All test scores must be from a single Test Report, except for the International ESOL where the results may be provided in a single Statement of Results for Written (LRW) and a separate statement of results for Spoken (S).
- The OET test must be taken at an OET venue. All test scores must be from a single Statement of Results.
- The Pearson Test of English (PTE) test must be taken at a PTE test centre. All test scores must be from a single Score Report.
- The TOEFL Internet-based test (iBT) must be taken entirely at an authorised TOEFL iBT test center. The iBT paper edition has one component (speaking) assessed outside an authorised test centre, so cannot be accepted. All test scores must be from a single Score Report. The 'My Best Scores' option cannot be accepted.
- The Trinity ISE test must be taken at a Trinity registered exam centre. All test scores must be from a single Certificate.
