Explanatory note

This note is not part of these Rules. It is intended to indicate the general effect of these Rules.

These rules revoke the NZQA Assessment Rules for Schools, TEOs assessing against Achievement Standards, and Candidates 2023 that were made on 14 December 2022. The rules made on 14 December were replaced by a new set of rules of the same name that were made on 19 December 2022. The replacement rules changed the words “he or she” in clause 6.3.c of Schedule 1 and clause 7.8 of Schedule 5 to the gender-neutral word “they”, but otherwise are the same.
