6. Assessment and related requirements

- 6.1 TEO consent to assess is necessary

The TEO must hold consent to assess against the achievement standards entered by its Candidates.

6.2 TEO assessment processes

Processes used by a TEO to assess Candidates will be in accordance with the content of the Achievement Standards that are listed on the Directory, and their assessment specifications that are published by NZQA.

6.3 Student eligibility for external assessment

6.3.1 A student is eligible to be entered as a Candidate for assessment against an externally assessed achievement standard who:

- (a) meets any eligibility criteria specified in the standard concerned; and
- (b) has entries for the standards concerned forwarded to NZQA by the TEO.

6.3.3 NZQA may permit a student to be entered as a Candidate to be assessed against an externally assessed achievement standard, despite the Candidate not meeting the eligibility criteria in Rule 6.3.1 above, where NZQA considers that extenuating circumstances justify it.

6.4 Conditions of entry

Once entered for assessment, it is a condition of that entry that the Candidate:

- (a) is subject to these Rules; and
- (b) permits NZQA access to and use of the material produced by the Candidate for educational purposes (for example as published exemplars to illustrate grade boundaries).
