Overview

Login and Access

Access to functions within the application is restricted based on roles. Which roles you have is determined by your Education Sector Login (a.k.a. ESAA) set-up, according to the roles your organisation has granted you.

For a full list of roles and access rights see: Appendix A: Access Rights

Lo	og in to the external moderation application
١.	Log in to the NZQA Schools & TEOs Login (<u>https://www.nzqa.govt.nz/login/</u>), using your usual Education Sector logon details.
2.	Select the External Moderation link from the Moderation section.
	Moderation
	External Moderation
	Assessment and Moderation Plans, Moderation
	Reports and Annual Summaries for NZQA moderated standards.

3. The landing page of the application displays. You can now navigate to the appropriate part of the application.

NZOA	· · ·	H.	
	Welcome to NZQA Moderation		
	Assessment Plan		- 1
	Moderation		
	Moderation History		
	Annual Summaries		
	Training and support material		

- NZQA Logo click on the logo or the Home symbol to return to the landing page from anywhere in the application.
- Menu Buttons provide access to different parts of the application. The buttons available are dependent on your access.
- Logout

• User Profile – click here to logout.

Navigation

Button	Description
Assessment Plan	View your current Assessment Plan, select standards, and submit your plan.
	See: Assessment Plan section for more details.
Moderation	View moderation plans for the current and previous (or next cycle), prepare moderation submissions, view reports, and submit queries and appeals for moderation reports.
	See: <u>Moderation Plan</u> , <u>Make a Moderation Submission</u> , <u>Moderation</u> <u>Reports</u> and <u>Appeals</u> sections for more details.
Moderation History	View moderation results and reports for the previous five years (from 2017 onwards). Results prior to 2017 are available via the Historical moderation link
	See: Moderation History section for more details.
Annual Summaries	View the current annual summary, any related action plan, and access historical summaries.
	See: Annual Summary section for more details
Training and support material	Training materials and guides for the External Moderation application.

The following functions are accessible from the landing page:

Notifications

The application will notify you of outcomes or of tasks you need to complete. For example, you will receive an email when your assessment plan is ready to access, or a reminder to submit materials for moderation.

Only the person recorded with NZQA as the moderation contact will receive notifications from the External Moderation Application, i.e.:

- Schools: Principal's Nominee
- TEOs: Moderation Liaison

Notifications will be sent to the email address held by NZQA for the moderation contact. If you want us to send the notifications to a different email address, you'll need to update your **preferred email address** in NZQA's School &TEO Login.

This information may take up to 48 hours to update the application.

Note: The person preparing a submission can enter their email address to receive a notification when the moderation report is available - see no.8 p.24

Common Features

Tables

Wherever information is presented in a tabular form in the application there is a common set of features. These features are available on the following pages:

- Assessment Plan
- Moderation Plan
- Moderation History

TABLE OPTIONS

The options available on the table views are:

Actions view view	Excel	🔒 CSV	Print	2	E y	Detach
-------------------	-------	-------	-------	---	------------	--------

Some options may not be available on some tables.

Menu Item	Description
Actions Menu	Drop-down to access actions specific to the External Moderation application.
	E.g.: Submit Standard, View Report. Action menu is also accessible by 'right-clicking' on a selected standard.
	Available on the Moderation Plan and Moderation History pages.
View Menu	Drop-down list of actions which can be used to customise the table view.
Excel	Export the data displayed in the table as an excel file.
le CSV	Export the data displayed in the table in .csv format.
Print	Creates a printable view of the current screen. Use your browser print option (or Ctrl- P) to print the view. Only prints what is visible on the view.
2	Clears any duplicate columns (sometimes occurs when manually re-ordering).
Refresh:	DO NOT use refresh on a 'detached' window – the application will freeze.
Filter:	Filter the data in the view.
Detach	Opens the current view 'full screen' in a separate window. All options (except Refresh) are available in the detached view.
Expand: >>	Under some circumstances the menu may shrink and not all icons are visible. Click on the expand icon (>>) to access them.

FILTER TABLES

Use the Filter option to quickly find an item of interest e.g. a standard.

Apply a Filter

- I. Enter the filter criteria in the field above the column you want to filter on.
- 2. Press Enter, (on your keyboard) to apply the filter.
- 3. Example: filter Assessment Plan by Standard Title:

usiness	Use the filter fields to refine the list of standards.The * character can replace one or more characters.			
	*market			Č0
Standard Number	Standard Title	Level	Selection	Date Materials Available
90840	Apply the marketing mix to a new or existing product	1		60
90846	Conduct market research for a new or existing product	2		6 2
91382	Develop a marketing plan for a new or existing product	3		(in

To find	Then
a specific standard	Enter the full standard number in the Standard Number field.
a range of standards	If the standards begin with the same series of numbers, type the common numbers followed by an asterisk in the <i>Standard Number</i> filter field. Example : 9084* will display standards: 90840, 90841, 90842, etc
standards that contain a specific	Enter the word in the Standard Title filter field, or
word	Use wildcards to find 'like' words: e.g. *market in the <i>Title</i> field will display any standards that contain words like market, markets, marketing, supermarket.
all standards for a level	Enter the level number in the <i>Level</i> filter field.
all 'selected' standards	Enter 'T' in the Selection filter field (Assessment Plan only).

Remove a Filter

A filter, will apply until you change or remove it, even if you open another system.

To remove the filter – just delete the text entered in the filter field(s) and press Enter key.

EXPORT DATA FROM A TABLE

You can export any data that is displayed in a table in the application.

The export is dependent on what view you are in, i.e.:

- Assessment Plan:
 - o Summary table the list of systems, and number of standards selected.
 - By 'Select Standards' all standards on the plan.
 - By System all standards for that system.
- Moderation Plan all standards on the plan.
- Moderation History historical outcomes for completed reports (2017 onwards).

If you have customised your view, then the exported data will reflect that customisation. Data can be exported in Excel (.xls) or CSV formats.

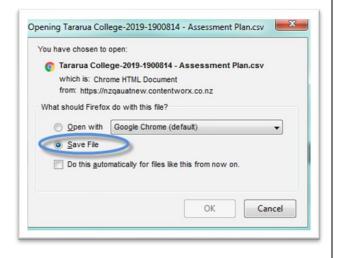

Export to Excel	
 To export a plan to Excel: Select the Excel icon. A confirmation pop-up will display Note: the pop-up does not always come to the front of the screen – if it doesn't you can find it by tabbing through your open windows (Alt-Tab, on the keyboard). Choose the 'Open with' option. 	Opening Tararua College-2019-1900814 - Assessment Plan.xls You have chosen to open: Image: Tararua College-2019-1900814 - Assessment Plan.xls which is: Microsoft Excel 97-2003 Worksheet from: https://nzqauatnew.contentworx.co.nz What should Firefox do with this file? Image: Open with Image: Open w
 Check the application is set to Excel – or select it from the drop-down. 	ОК Сапсеі
5. Select Ok to confirm.	
 Excel will start (if not already open) and a warning message may appear – select Yes to con Microsoft Excel The file format and extension of Tararua College-2019-1900814 - Assessment Plan-1.xls' don't r want to open it anyway? 	tinue. match. The file could be corrupted or unsafe. Unless you trust its source, don't open it. Do you Help
 Excel will open with the exported data in the works 	sheet.

Export to CSV

Use this format if your spreadsheet application is not Excel.

To export the plan in CSV format.

- I. Select the CSV icon.
- 2. A confirmation pop-up will display:
- 3. Choose the 'Save File' option and select **OK** to confirm.
- 4. Open the file from your saved downloads (the location is dependent on the browser you use).

ing the table does not increase the number of rows visible – you will still need to use the p ion if you have more than 15 standards on your plan.

Notes

- All the table options are available in the detached view.
- DO NOT 'refresh' a detached table it will cause the screen to freeze.

CUSTOMIZE A TABLE

You can customise your view of the Assessment or Moderation plan, or Moderation History view including:

- which columns to display
- the order of the columns
- the sort order.

Any changes you make will be saved when you exit the application. The changes are specific to your view and do not affect any other users.

Example: Moderation Plan View

You may find it helpful to tailor the moderation plan view according to where you are in the moderation cycle:

					Ċo				
NZQA Mod. System	Level	Standard Number	Standard Title	Submiss Type	Date Mat. Available	Submitted Date	Outcome	Status

Choose which columns to display

To choose which columns to display:

- I. Select **View > Columns** from the menu.
- 2. Tick or un-tick column names, as required.
- 3. Only ticked columns will display.

Note: the columns available will depend on the view. This example is for the Moderation Plan.

Actions v	View - Kall Excel		CSV 🗇 Print 🎅 🔄	Detach
	Columns	Þ	Show All

Download and Print

Moderation Reports and Annual Summaries can be downloaded for printing or electronic distribution.

Reports can be downloaded from the following pages:

- Moderation Report view
- Moderation Plan table
- Moderation History table.

Any person with access to the application can download/print a report.

Annual Summaries can be downloaded from the Annual Summary view. Only people with access to view Annual summaries can download/print them.

PRINT

Assessment Plan

Overview

An assessment plan for the next moderation cycle is released at the end of October each year.

You will receive an email notification when your plan is available.

Schools

Must complete and submit the assessment plan by the end of November.

Select standards to be assessed at Level 1 and enter the Date that Materials will be Available.

Select preferences for external moderation at Levels 2 and 3.

If you are not assessing Level 1 have no preferences on what standards are moderated at Levels 2 and 3, then submit a blank plan.

Where possible, NZQA will include Level 2 and 3 standards selected by the school. However, other considerations sometimes mean this is not possible.

Note: All moderation must be submitted by mid-October. Contact your SRM where this is an issue.

Tertiary Education Organisations

Must select all the standards they are intending to assess and provide the earliest date that the learner evidence will be available for moderation for each standard. TEOs are required to submit an assessment plan if they have consent for NZQA managed standards by the end of November.

Quick Steps

- 1. Log in to the application and select Assessment Plan.
- 2. Select the relevant moderation system.
- 3. Select the relevant standards from the system $\ensuremath{\sigma}$.
- 4. Enter the Date Materials Available for each selected standard, if required.
- 5. Save the selected standards in the system.
- 6. Repeat for all relevant systems.
- 7. Enter a comment (optional).
- 8. Select **Submit Plan** to submit to NZQA.

Common Features

You can modify the Assessment Plan tables and customise them to your personal requirements.

See the following sections under Common Features:

- <u>Table Options</u>: explains the available menu options.
- <u>Customize a Table</u>: for how to add/remove columns, change the default sort order.
- Export Data from a Table: for how to export the data in the plan.

Complete and Submit a Plan

Role required:

Moderation Processor (General Security User) can complete standard choices and save notes in the comment box.

Moderation Authoriser (High Security User) to submit the assessment plan.

To complete and submit an assessment plan

- I. Log in to the application and select Assessment Plan.
- 2. Select the Yes radio button, if you are assessing NZQA standards in the next year.
- 3. To select standards, either:
 - Choose the Select Standards link (to view all standards), or
 - Select the link to an individual system from the summary table.

2010/1000000000000000000000000000000000	Plan	
Waikato Institute of Techn	nology (6019)	Ref: AMP-1900740 Plan Due Date: 01-Nov-2017 23:
Assessing NZQA mana	aged standards in 2019 :	
No	rds in the upcoming year then no further information is required. Submit Nil Plan	
Comments: If you have any overall comments relating to the	the plan, e.g. standards you will be assessing in the upcoming year that were not as	essed this year (schools only), please enter them here.
If you have any overall comments relating to	the plan, e.g. standards you will be assessing in the upcoming year that were not ass	essed this year (schools only), please enter them here.
If you have any overall comments relating to Enter an Summary		essed this year (schools only), please enter them here.
If you have any overall comments relating to Enter an Summary		essed this year (schools only), please enter them here.

- 4. Select individual standards, as required (see the **Select Standards** section of this guide) for all relevant systems.
- 5. As you save your selections the Summary table updates with the:
 - number of standards selected within the system
 - 'latest' materials available date, if entered for standards.

Complete and submit an assessment plan, continued

6. Add a comment (optional)

The comment will be visible to the NZQA staff member responsible for confirming your organisation's moderation plan. The comment field takes a maximum of 250 characters.

Note: Comments can be added to the comment field by all users. Enter your comment and select the **Save** button below the comment field. Schools: Use the comment box to suggest standards that you cannot select in your assessment plan.

- 7. Select Submit Plan, when all standards are selected, and the plan is ready to submit.
- 8. A warning message will display, select **Yes** to submit the plan to NZQA.
 - Following submission (or the due date for school plans) the plan will be locked (read only).

Submit a Nil Assessment Plan

TEOs who are not assessing any NZQA managed standards in the upcoming year should submit a Nil plan.

Submit a Nil assessment plan (TEOs only)

- I. Log in to the application and select Assessment Plan.
- 2. Select the No radio button, if you are NOT assessing NZQA standards in the next year.
- 3. Add a comment (optional). The comment will be visible to the NZQA staff member responsible for confirming your organisation's moderation plan. The comments field takes a maximum of 250 characters.
- 4. Select Submit Nil Plan, if the plan is ready to submit.

Note: schools may use this date for your own planning purposes, but the work must be available for your agreed submission date.

- 3. Continue selecting standards for this system, as appropriate.
- 4. Save your selections using:
 - Save to save without closing the window.
 - Save and Exit to save and return to the plan overview.

Note: System Name

The NZQA Moderation System name that appears at the top of the list, on the Select Standards window, defaults to that for the first standard on the list. So, if you open a:

- System then it is the system name
- all standards (i.e. use the <u>Select Standards</u> link) it displays the system for the first standard in the list and may change if the standards are re-ordered or filtered.

Finding a specific standard

Use the Search function to quickly find an individual standard or all standards in a system.

Search for a standard
I. Use the Select Standards link (for all standards) or open an individual system:
Note: You can also search for a standard by opening any of the systems in the Summary panel.
 Click the search icon System name – to search for all the standards within a moderation system. Standard – to search for a specific standard Search for the standards.
To search for
 All standards within a system Type the first few letters of the name of the moderation system. Select Search. Select the required system from the result list. Click OK to return to the main search screen.
 A specific standard Type the exact standard number, then Search. Select the standard, then OK to return to the main search screen.

Search for a st	andard	
Advanced Search	• Use the advanced search feature to find a system when you are unsure of the name:	
	e.g. 'Contains: Design', returns:	
	- Graphics and Design Technology	
	- Technology – Design and Visual Communication	

4. The **Select Standard** page updates with all the standards that match the search criteria.

• Example: Search for standard: 91080

							Ú.
Standard Number				Standard Title	Level	Selection	Date Materials Available
91080	Demonstr	ate under	standing	of the common components of basic digit	1		60

Submitted Plans

Once the plan has been submitted it will be locked (read-only). If you require changes to your plan after you have submitted it, contact your School Relationship Manager or Monitoring and Assessment Contact.

Locked Plans						
A plan will be lo	ocked when:					
 it is subi 	mitted by the school or TEO					
 the plan submission date is passed (schools only). 						
The message is	s updated when:					
 the mod 	leration plan is available, or					
 an exen 	nption, or Nil plan status is confirmed for a TEO.					
Example:	2019 Assessment Plan ACG Parnell College (2085) Assessing NZQA managed standards in 2019 : Assessment Plan locked: 01-Nov-2017 23:59:00 Provider can no longer make changes.					

Moderation Plan

Overview

The Moderation Plan will become available when NZQA has selected the standards for moderation. The timing may vary according to the type of provider and your moderation submission date.

View Previous/ Next Plan	
plans available.	ending on your submission date, you may have two moderation
Use the year drop-down to change b	etween plans.

Actions 👻 View 👻 🚮 Excel 🚕 CSV 🚓 Print 🌫 💽 Detach	

Show/hide explanatory text

The explanatory text at the top of the page can be hidden to increase the visible area of the screen. The expand/contact icon is located beside your organisation name.

Text section hidden - click to expand.

Text section expanded - click to hide.

Common Features

You can modify the Moderation Plan table and customise it to your personal requirements.

See the following sections under Common Features:

- <u>Table Options</u>: explains the available menu options
- <u>Customize a Table</u>: for how to add/remove columns, change the default column and sort order
- Export Data from a Table: for how to export the data in the plan

Make a Moderation Submission

Quick Steps

- 1. Log in to the application and select Moderation.
- 2. Select the required standard.
- 3. Complete the Submission Details and Assessment Task sections.
 - For a digital submission:
 - Enter a link (URL, username and password (if required for the moderator to access the materials), OR
 - Upload digital materials for the task.
- 4. Save the submission.
- 5. Add Learners: enter a grade for each learner, and comments as appropriate.
 - For a digital submission:
 - o upload digital materials (if not submitting by URL, as above)
- 6. Save, and update status to Ready to Submit.
- 7. Submit the standard to NZQA for moderation (authorisers only).
- 8. If you selected Physical submission you should receive an email containing the moderator's address within 5 working days. Forward the materials to the moderator as soon as possible.

CREATE A SUBMISSION FOR A STANDARD

Role required: Moderation Processer or Moderation Authoriser (High Security User)

To create a submission for a standard

- I. Log in to the application and select Moderation.
- 2. CHECK you have the correct plan year selected.
 - Change the year in the Select Moderation Plan Year field, if required.

- 3. Select the relevant standard.
- 4. Open the Actions menu (from the menu or 'right-click' on the selected standard) and select **Edit Submission.**

Submit A	All I

Create a submission for a standard, continued

- 5. Complete the Submission Details section:
 - Submission Type
 - Digital if submitting materials on-line
 - Physical if submitting materials by courier.
 - Language
 - English default
 - Te Reo Māori or 'Other' choose the appropriate value.
 - Version
 - defaults to the latest version of the standard, update if a different version was assessed.
- 6. Complete the Assessment Materials section:
 - Source
 - the source of the assessment task.
 - Modified
 - Yes if the assessment task was modified (other than context) before use.
 - No if the assessment task was unmodified (other than context).
- 7. If making a digital submission, either:
 - Enter a cloud storage link
 - Include a username and password, if needed for the moderator to access the files.

Or

- Attach the assessment task files to the submission, in the Activity section:
 - Select Browse
 - Find the file you want to upload, select it then click Open.
 - Repeat as required.
- Contact additional to main/authoriser contact optional Enter an additional email address to also receive notification when the moderation report is available. The Principal's Nominee in a school and Tertiary Moderation Liaison person will be notified automatically.

See: <u>Moderation Submission Tips</u> and <u>Appendix D: File Management & Digital Submissions</u> for additional information on making digital submissions.

Edit submission

Enter learner grades and upload materials

Role required: Moderation Processer or Moderation Authoriser (High Security User)

To enter learner grades and upload materials

Notes:

- Complete the Submission Details and Assessment Task sections (above), before adding learners.
- Enter a learner grade for ALL learners that you are submitting evidence for.

I. Select Add Learner.

- 2. Enter the details for the learner.
 - Learner Identifier an identifier is automatically assigned (Learner A-F).
 - Label any physical materials being submitted with the matching identifier.
 - *Grade* select the learner's grade from the list of values (mandatory).
 - Comment an optional comment on the grade awarded, or to note if evidence applies to more than one learner.
 - Group work identifier use this option to identify an individual in a group work. Use a description (red shirt) not the learner's name.
- 3. If this is a digital submission and you have <u>not</u> included a link, then attach the learner evidence:
 - Select Browse...
 - Find the file you want to upload, select it then click **Open**.
 - Repeat as required.
- 4. To add more learners, click the **Add next** button, and repeat steps 2 & 3.
- 5. Select **Save and Exit**, when all learner grades are added.
 - As each learner is added the summary table (on the Edit Submission window) is updated.
 - From the summary table, you can:
 - view the attached evidence
 - open and edit the learner record,
 - delete the entire record.
- 6. When the standard is ready for submission select **Ready to Submit.**
 - The status of the standard is now 'Submission - Ready to Submit'
 - The standard remains editable until it is submitted
 - The Principal's Nominee in a school and the Tertiary Moderation Liaison person will be notified automatically that the submission is now waiting to be submitted.
- 7. At any stage in preparing a submission it can be cancelled before submitting to NZQA by selecting **Cancel Submission**. This will set the status of the standard back to Submission Not Started.

NZQA External Moderation

∆di<mark>l</mark> earner

Submit one or more standards to NZQA

Role required: Moderation Authoriser (High Security User).

To submit a standard for moderation

- I. Log in to the application and select Moderation.
- 2. Review standards where the status is 'Submission Ready to Submit'.

Check:

- The Submission Details and Assessment Task sections are complete.
- A learner grade is entered for ALL learners that you are submitting evidence for.
- Digital submissions only:
 - $\circ~$ A Link (URL) is included with a username and password if required,

OR

• At least one document/file is uploaded for the Assessment task and each Student.

- 3. Submit the standard(s) for moderation.
 - For one standard:
 - \circ Select the standard and open the action menu (right-click).
 - o Select Submit.
 - Displays a confirmation message for the standard:
 - o Select Yes.

NZQA External Moderation

You are about to submit multiple standards to NZQA for moderation. Are you sure?

Yes No

- For multiple standards:
 - o Note: this action submits ALL standards with status 'Ready to Submit'
 - Select a standard and open the action menu (right-click).
 - Select Submit All.
 - Displays a confirmation message for the standards:
 - o Select Yes.

Result:

- The standards are submitted to NZQA for moderation.
- The status of the submitted standards changes to 'Submission Submitted'
- The submitted standards are no longer editable.

See: Moderation Submission Tips for how to:

• Respond to submission error messages.

Submission Tips

Deleting an attached document	
If you've uploaded the wrong document for a:	
 <u>Task</u>: Select Delete documents to open the Delete window. Select Delete to delete the file. 	Task/Activity Add all of the documents relevant to the assessment task/activity. Choose File No file chosen MOD_01 Reg uest. Materials .Notification.ftl Delete documents
Learner:	
 Select Edit for the relevant learner on the summary table. 	NZQA External Moderation
 Select Delete documents to open the Delete window. 	Document nameDocumentDeleteMOD_01_RequesMOD_0Image: Constraint of the second sec
• Select Delete to delete the file.	

Submitting a link

Files stored in a cloud storage system (e.g. Google Drive, SharePoint) can easily be submitted by providing a share link or URL.

Ensure that:

- the files relevant to the standard are organised so that the assessment task and work for each of the students is readily identifiable by the moderator.
- the share rights are set so the moderator can directly access the materials. For example:
 - Google Drive set to "Anyone with the link".

Note: Files are secure behind both the organisation user login and the moderator login.

- 1. Enter the link/URL into the Link field in the Submission Details section
- 2. Ensure a username and password are included, if needed to access the files.

If you want to submit a link (URL) to the	files then enter it here:	
Enter link/url here		
	r password to access the files, please enter	nter them her
If the link above requires a username of Username Enter a temporary user name here	r password to access the files, please enter Password	nter them her

3. Ensure grades are entered in the application for ALL students. If a grade is not entered via the application the moderation result cannot be recorded for that student.

Removing access to materials

NZQA access to the materials is required if you wish to query or appeal the report.

Once the moderation is complete and the report becomes final, access to the materials can be removed.

Submission Error Messages

The following are common validation error messages that occur when making a moderation submission, and what to do about them:

Message	Action
At least one learner must be created. Please try again.	Add Learner to create a learner record. Ensure you create a record for ALL the learners you are submitting evidence for. See: Enter learner grades and upload materials
For digital submission	Check there is either:
You must enter a url OR upload files for assessment task and learner evidence before submitting this standard	 a link (URL) entered in the Link field OR a valid file uploaded for: the assessment task at least one learner. Ensure you create a record and enter a grade for ALL the learners you are submitting evidence for.
Standard (number) not ready to submit. Please enter results before submitting.	Check there is at least one learner record created for the submission. Check the status is 'Submission - Ready to Submit'.

Moderation Reports

Moderation Report Dates and Statuses

The following table provides information on how the status and report due date change according to the progress of the submission and report.

When the	Status changes to
PN/Mod Liaison submits online.	Submission - Submitted
moderator requests physical materials.	Report – Pending Material
moderator accepts the submission (digital submission OK, or physical materials received).	Report - In Progress
moderator completes the report.	Report - Provisional
provisional period expires and no appeal has been received.	Report - Final
appeal is accepted.	Appeal – In progress
appeal is completed.	Report - Final (Appeal)

Quick Steps – View, Print and Query

- 1. Log in to the application and select Moderation.
- 2. Select the required standard:
 - The status must be Report- Provisional, Report-Final or Report-Final (Appeal)
- 3. Right-click on the selected standard.
- 4. Select the required menu option to view or print the report.
- 5. To query a report (Moderation Plan only):
 - Select View Report, then Query Report.
 - Enter your query and **Submit**.

View a Moderation Report

There are two options for viewing a report.

- Recently published reports (provisional) and final reports for the current and previous year can be viewed from the **Moderation Plan** page.
- All final reports including reports more than two years old can be viewed from the **Moderation History** page.

Only reports in the following statuses can be viewed:

- Report-Provisional
- Report-Final
- Report-Final (Appeal)

Once final, reports will remain available indefinitely.

View a moderation report – Moderation Plan View Role required: any person with access to the application can view reports. ١. Log in to the application and select Moderation 2. Select (click) on the required standard, then right-click to access the menu. 2018 Moderation Ref : AMP-1900844 ABC College (1234) Final Date for Moderation S Select Modera Actions 👻 View 👻 🗱 Excel 🛛 CSV 🚍 Print 🎅 🔄 🗟 Detach 10 ite Mat. Query			The buttons visible	View Details

View Learner Details

The assessor and moderator's grades for the learners are displayed in a summary table. To view the details for a specific learner:

- Click the View Comments (I) icon for that learner.
- View the Evidence that was uploaded for the learner (digital submissions only).
- View assessor and moderator grades and comments.

Use the **<Prev** and **Next>** buttons to move through the list of learners.

Query a Moderation Report

Use a Query where you're not clear on the meaning of something in the moderation report, to clarify the decisions and comments following moderation.

You can only submit a query if the status of the report is 'Report-Provisional'.

Role required: Moderation Processer or Moderation Authoriser (High Security User)

Тс	o query a moderation report	
١.	View the report as above.	
2.	Select Query report.	Geography - Level 1 - 91011
3.	Type your question in the Query field.	Query
4.	Upload any relevant evidence using the Choose File function.	What is the subject of the query? Enter query here
	 Note: Only evidence from the original submission should be included. 	Query History
5.	Save or submit your query:	Attach evidence
	 Save to save your query without submitting it. 	Attach any documents from the original moderation submission that are relevant to this query. You may only include material originally submitted to NZQA for moderation, any additional material will not be considered.
	• Cancel to return to the report, without saving the query.	Cancel Submit Save
	• Submit , then click Yes to send the query to NZQA.	

	NZQA External Moderation
Submitting a query doesn't change the status of the standard in the moderation plan. The only difference is that a Query	Query Moderation Report
section gets added to the report.	Guery What is the maternal What is the maternal You'll be able to view the questions and responses in the
The Principals' Nominee or Moderation Liaison will receive an email notification when the moderator responds to the query.	Query History section. Query History 24-Feb-2017 Can you please explain what you mean by more evidence that th learner can explain linka between main points and supporting details
To view a query, click the View Details link on the moderation report, then view the questions and responses.	N2CAF Further evidence of writing is required, using test structure that follows a logical progression. In addition to admonsfedgemen of source material, analytical interpretation and informed judgement of this material is required by the standard. These sources should be written published texts. Attach evidence Attach evidence Attach evidence in the original moderation submission that are relevant to this query. You no only include material originally submitted to YZQA for moderation, any additional material will not b considered.
	Brown No file selected.

Feedback on moderation reports

When you view a provisional moderation report there is a **Feedback** option.

This is intended as an opportunity to provide NZQA with feedback regarding the detail, clarity, and helpfulness of the moderation report.

Selecting Feedback will open a pop-up window in which you can select your responses from the drop-down menu alongside each question.

Select Submit to save your responses and close the window.

Feedback	Query report	Appeal report	Download Report

Question 1: Response:	Was this report detailed enough?
Question 2: Response:	Is the report clear with what I have to do?
Question 3: Response:	Was this report helpful?

Appeals

Appeal a Moderation Report

An **appeal** may be appropriate if you disagree with moderation decisions and/or comments. Before creating an appeal, you should discuss it with the Principals' Nominee or Moderation Liaison for your organisation.

If you just want more information or clarification about something in the report, then submitting a query may be more appropriate.

Note: An appeal must be submitted within 30 working days of the 'provisional' moderation report being published. After this time, the report becomes final.

Quick Steps

- 1. Log in to the application and select Moderation.
- 2. Select the required standard.
 - The status must be: Report Provisional.
- 3. Right-click on the standard.
- 4. Select View Report from the menu.
- 5. Select Appeal report.
- 6. Enter appeal details and attach evidence (if relevant).
- 7. Select Ready to Submit.
- 8. Submit the appeal (Management Authoriser only).

Note: an appeal can only be submitted from the Appeal view, it cannot be submitted from the moderation plan.

Prepare Appeal

Role required: Moderation Processer or Moderation Authoriser (High Security User)

Prepare an appeal, continued

- 4. For each issue, include:
 - Description: the issue you've identified within the report (up to 1000 characters)
 - Material reference: location of the evidence to support the appeal within the assessment materials (up to 250 characters)
 - Action requested: what outcome you are seeking (up to 250 characters).
 - Save the issue.
- 5. Create additional issues, as required, (maximum of four), click the **Add next** button, and return to step 3.

6. Evidence required for an appeal will depend on how the original evidence was submitted.

If the original evidence was	Then
uploaded files	the appeal moderator will have access to it, it does not need to be re- loaded.
a link (URL)	please ensure the link (and any associated username and password) are still active so the appeal moderator will have access to the evidence.
physical and the material has been returned	You may choose to submit the evidence digitally (see below) or you will need to return the evidence to NZQA.
physical and the material has not ben returned	Submit the appeal and note that the material is still with the moderator

Note: If the original moderation submission was a *physical submission*, you can upload digital files of the material to expedite the appeal process.

- Select Attach Evidence.
 - In either the Assessment Task or Learner Evidence sections, select the Browse button.
 - Find the file you want to upload, select it then select **Open**.
 - Repeat as required and **Save**.

Only material orignially submitted for moderation should be included with an appeal. Any additional material will not be considered for the appeal.

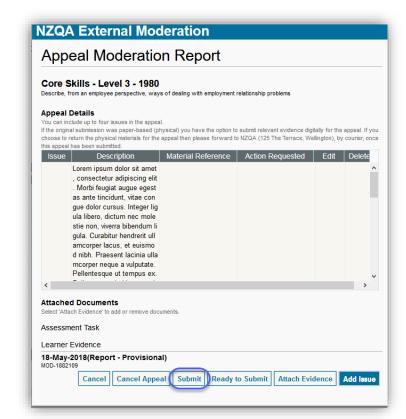

- 7. Once you have added all the issues and evidence, select **Ready to Submit.**
 - You can still edit an appeal with status 'Ready to Submit'.

Submit Appeal

Role required: Moderation Authoriser (High Security User)

To submit an appeal to NZQA
I. Select View Report for the relevant standard on the moderation plan. Note: the status should be 'Appeal Ready to Submit'

- 2. Select Appeal Report.
- 3. Review the appeal details. Ensure that:
 - the issue Description and Action Requested sections contain sufficient detail
 - only originally submitted material is included. Any additional material will not be considered for the appeal.
- 4. **Save** any updated details, as required.
- 5. Select Submit.
 - A confirmation message showing the standard number displays.
- 6. Select **Yes** to submit the appeal to NZQA.
 - The status of the standard changes to 'Appeal submitted'.
 - Once you submit an appeal, you will no longer be able to edit it.

What Next?

When the appeal is received, NZQA checks that it meets the appeal criteria:

- If it doesn't, you will receive a notification that the appeal was declined with the reason why.
- If it does, NZQA will start processing the appeal.

The appeal outcome is recorded in the moderation report.

The Principals' Nominee or Moderation Liaison is notified when the final report is available.

Annual Summary

Overview

The annual summary provides an organisational level outcome for National External Moderation of NZQA managed standards.

Quick Steps

- 1. Log in to the application and select Annual Summaries.
- 2. Select the required summary.
- 3. View online or download and print the summary report.
- 4. Click the Moderation History link to access the moderation report historical view.

View an Annual Summary

Appendix A: Access Rights

Manage User Access

If you need to arrange access to the moderation application for staff, please follow the normal procedure within your organisation for an Education Sector Logon. (ESL)

An email address is mandatory and must be unique to the user (not shared by any other person who will also login via ESL). This email is used for verifying identity, not for sending notifications.

The following roles are available for users of the external moderation application.

Secondary MoE role	Tertiary MoE role	Type of access to the moderation application
General Security User	TEO View Only	 Users have the role of Moderation Viewer, and can: view the moderation plan, view moderation reports and results.
Moderation Process	TEO Administration	 Users have the role of Moderation Processor, and can: enter assessment judgements/grades upload material for moderation view moderation reports and results submit queries about moderation reports.
High Security User	TEO Management Authoriser	 Users have the role of Moderation Authoriser, and can: select standards and submit assessment plans view moderation plans enter assessment judgements/grades upload material for moderation authorise moderation submissions view moderation reports and results submit queries about moderation reports lodge appeals view annual summaries and manage action plans.
Moderation Management View Only	TEO Management View Only	Users have the role of Moderation Management Viewer , and can: - view moderation reports and results - view annual summaries and action plans.

For TEOs:

The access required is on the following section of the ESL form:

ease see the Education Sector User Account Gui	de for more information about these se	ervices

Appendix B: Browsers

Supported Browsers

The following browsers are supported by the application:

- Google Chrome 45+
- Mozilla Firefox 31+
- Internet Explorer 11.*
- Safari 8.*

The NZQA External Moderation application is supported across a range of browsers, however not all browsers behave in the same way, and functionality changes over time. If you are experiencing issues with the application using a particular browser, please try a different one. We have found Mozilla Firefox provides the best experience when using the application.

If you are using any browser other than those listed, then we cannot guarantee the application will work correctly.

Incognito Mode

Browsers offer the option of an 'incognito' mode where some of the information, such as cookies, that can cause application issues is not saved between sessions.

You can access incognito mode in:

- Chrome: from the Customize menu > New incognito window (Ctrl+Shift+N)
- Firefox: from the Open menu > New Private Window
- IE: from the Tools menu > Safety > InPrivate Browsing (Ctrl+Shift+P)
- Safari: from the File menu > New Private Window (Command-Shift-N)

CLEAR BROWSER HISTORY

It may be necessary to clear your browser history (a.k.a. clearing the cache) if you have encountered an Oracle error or are having persistent issues with 'weird behaviour' in the application. (See: <u>Appendix C:</u> <u>Oracle Errors</u>).

It is possible with most supported browsers to clear your history without clearing saved passwords, etc.

Always shut down the External Moderation Application before clearing your history.

Appendix C: Oracle Errors

BROWSER 'BACK' BUTTON

Many of the issues schools/TEOs have experienced with the NZQA External Moderation application result from using the **browser back button** to exit a screen.

PLEASE DO NOT use the browser 'Back' button (or other browser navigation) to exit a screen in the application – always use the applications' navigation (e.g. NZQA Logo or Home symbol) or button options (i.e.Exit, Cancel).

Using the browser Back button is the main cause of the 'Oracle Internal Error' and other unfriendly screen behaviour such as:

- duplicated columns in tables
- multiple banners
- 'missing' fields in Edit screens.

If any of the above occur you can:

• Use the Refresh function to restore a table with duplicated columns,

Or:

- Exit the External Moderation application.
- Delete the browser cache, cookies, and history.
- Close the browser completely (all tabs) and re-open.
- Login again to continue working.

Appendix D: File Management & Digital Submissions

MANAGING FILES STORED IN THE CLOUD OR ON YOUTUBE

To submit files stored in the Cloud

Files stored in a cloud storage system (e.g. Google Drive, SharePoint) can easily be submitted by providing a share link or URL.

Ensure that:

- the files relevant to the standard are organised so that the assessment task and work for each of the students is readily identifiable by the moderator.
- the share rights are set so the moderator can directly access the materials. For example:
 - Google Drive: "Anyone with the link".

Submit files stored on YouTube

In this situation:

- provide a URL for each student (by pasting into a document)
- if all the URLs are in a single document then clearly identify each link, and upload the document, or
- you can upload a separate document for each student, or

Don't forget to upload your assessment task/link when preparing your submission.

FILE SIZES AND TYPES

Accepted File Sizes

File sizes are limited by the External Moderation Application. Large files, especially videos, may impact on your experience for reasons other than platform limitations.

Our experience indicates that file sizes of up to 30MB will enable an acceptable experience of submitting files.

If you get an "Oracle Internal Error" then the file size is too large.

This is best resolved by uploading moderation materials to cloud storage and then save the share link (URL) in the submission as outlines above.

If you get an error, you should also clear your browser cache, cookies and history.

There are several reasons why smaller files are more manageable:

- depending on where you are working from, large files typically take a long time to upload; the upload may fail if the digital moderation application times out (this is set to occur after 15 minutes if you do not confirm your intention to continue)
- they may use more storage space in your school system than you intend
- depending on where moderators are working from, large files typically take a long time to download and could also be subject to timeout.

We are happy to discuss options for managing large files on a case-by-case basis. Please contact <u>modsupport@nzqa.govt.nz</u> or (04) 463-3240, to do this.

Accepted File types		
The following file type	s are accepted:	
Files types	Preferred format	Formats also accepted
Documents	pdf	doc, docx, odt, xls, xlsx, csv, ods, ppt, pptx, odp
Images	insert into a pdf	documents
Audio	mp3, wav	wmz
Multi-media/video	mp4, avi, mov	
		not be able to read your files. Please contact discuss options if you are using file types other than

MANAGING VIDEO FILES

Video files are best uploaded to cloud storage and the share link saved in the moderation submission with the share permissions set so that the moderator can directly access the materials for moderation. Files stored in the cloud should be clearly identified and all learner grades still need to be entered into the submission.

To reduce file size

Reduce the size of files by:

- adjusting the recording settings on your video camera
- converting the file to another file type

Video cameras, by default, are usually set to 'auto'. The settings for the recording size and the frame rate are likely to be high and this creates large files (>200MB). There are many YouTube videos and other online guides on how to adjust your camera settings to create smaller video files.

Convert to an accepted format

The accepted video file types are: mp4, avi or mov.

There are numerous applications available to convert video files from one format to another. See the Useful Resources below. Many applications also have an export function which allows you to export files in a common format.

Converting to another format may also compress the file.

Other Useful Resources

The following links provide more information on managing file formats.

http://www.zamzar.com/fileformats/

This website categorises many different file formats for documents, images, music, and video files, among others. It also provides an online conversion facility.

https://www.lifewire.com/guide-to-camcorder-video-file-formats-487992

Provides a useful guide to camcorder video file formats.
