

#KNOW THE CODE

Did you know that wellbeing and safety supports your learning?

The Code of Pastoral Care has been put together to make sure you have the best possible support system.

This means that while you're learning, you should be:

- safe – physically and mentally respected for who you are
- supported in your learning and wellbeing
- connected with your social and cultural networks and
- able to have your say in decisions about services.

If you want to find out more, or if something isn't working for you, talk to your learning provider first or if you need to, you can talk to NZQA.
