¹ German is compulsory in Germany, however students studying in New Zealand must take English or Te Reo Rangatira as their primary language instead.

² Must be predominantly calculus standards, not statistics.

³ NCEA Level 3 German can be counted as a subject for Languages, Literature and Arts, not as a Primary Language.

* Only students engaged in learning and achievement derived from Te Marautanga o Aotearoa can be awarded these subjects.

Table 2: NCEA subjects not recommended for university entrance in Germany

It is strongly recommended to study subjects from Table 1. Students may study subjects from Table 2 as a sixth subject.
