This is your assessment booklet for Tourism Māori unit standard 31071. Identify and explain the cultural significance of natural and man-made attractions in tourism Māori.

Assessment criteria

Paetae/Achieved

People credited with this unit standard are able to explain the importance of Māori place names and list and use a range of te reo greetings and farewells in tourism.

There are **TWO (2)** assessment tasks for this standard that you must correctly complete.

The tasks are:

1. Select TWO natural attractions and explain the cultural significance of each one. Record the information required in the table below for each of the two attractions
2. Select TWO man-made attractions and explain the cultural significance of each one. Record the information required in the table below for each of the two attractions.

Your kaiako will discuss the length of time you have to complete this. PLEASE remember to reference where you get your information from for Assessment Tasks 1 and 2. Your kaiako will discuss this with you.

Authenticity

As per NZQA requirements:

- all work submitted for assessment must be produced by you
- the assessor will consider (and manage) the potential for work to have been copied, borrowed from another ākonga, photocopied from a book, or downloaded from the internet.

You may work with and learn from others to gather information from a variety of sources. However, the assessor must be clear that the work to be assessed has been processed and produced by you. To help manage authenticity of your work, where you are asked to complete any written tasks, you will be asked to use your own words as well as provide reference/s for your information.

If you have any pātai, or are unsure about anything, kōrero ki tō kaiako.
