## Transition

The last date for entry into programmes leading to the replaced qualification is 31 December 2016. The last date of assessment for the replaced qualification is 31 December 2018 when the qualification will be discontinued. From that date no results can be reported against the qualification.

People currently working towards the replaced qualification must complete the requirements by 31 December 2018 or transfer their results to the replacement qualification. However, there are substantial differences between the new and replaced qualification, and it is recommended that candidates complete the qualification in which they are enrolled.

It is the intention of NZQA Māori Qualifications Services that no existing learner should be disadvantaged by these transition arrangements. However any person who considers they have been disadvantaged may appeal to NZQA Māori Qualifications Services at the address below
