

**Learner 8: GI 2, 3 and 4**

<b>Learner 8: Meets Requirements</b>
Intended for teacher use only

Susie belongs to a cycling club. One day they meet at Sheffield to start their ride.

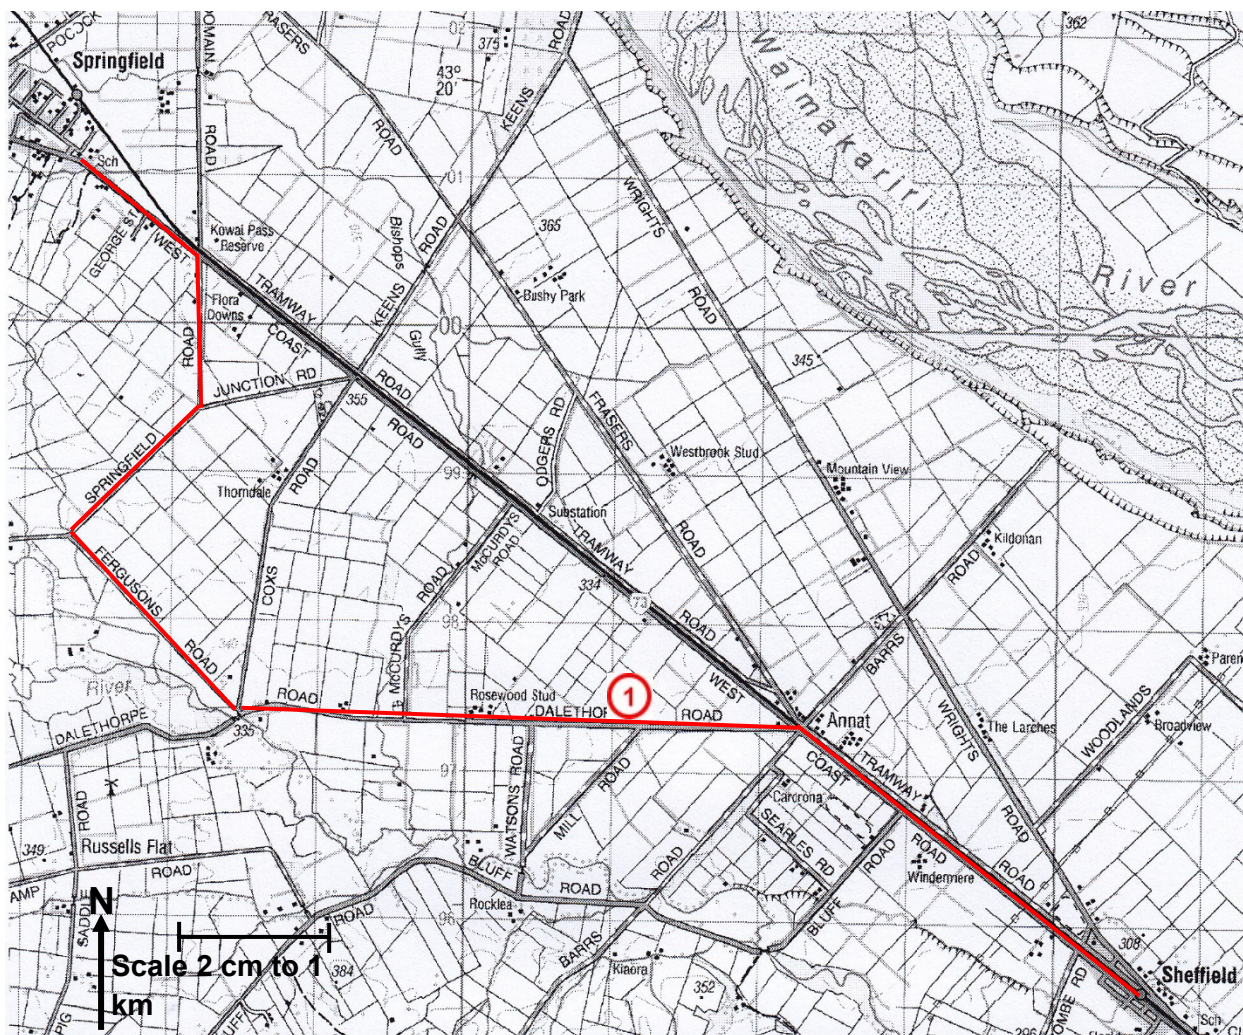

The direction and distance of each section of the first part of the ride is shown in the table below:

Direction	Distance
310	2.8 km
W	3.7 km
NW	1.6 km
NE	1.2 km
N	1 km
310	1 km

Show Susie's ride on the map.  
Where does this part of the ride finish?

Finishes at Sch = School
