

# SCHOOL NZQA PROVIDER LOGIN

## ACCESS QUICK REFERENCE GUIDE

Access to the various sections of each school's Provider Login page is granted by the school's [Education Sector Login \(ESL\) Authoriser](#).

### ESL Role:

**High Security User**

**General Security User**

**Special Assessment Conditions**

**Moderation Processor**

**Derived Grade**

**Results Entry**

### Type of access:

Provides access to school administration, External Moderation Application and exam centre information and functions. Includes General Security User access.

For: Principals, Principal Nominees, Data Administrators or other Senior Leaders only.

Provides 'view' access to Learner information, Record of Achievement details, External Moderation information, reports and statistics.

For: teaching and administration staff who only need basic NZQA access.

Provides access to Special Assessment Conditions (SAC) information & functions.

For: staff responsible for administrating Special Assessment Conditions only.

Provides access to External Moderation Application information, prepare submissions and appeals, and query reports.

For: staff who assist with preparing moderation submissions.

Provides access to Derived Grade information and functions.

For: staff responsible for administrating derived grade applications only.

Provides access to enter provisional & final results.

For: staff responsible for entering results for externally assessed verified standards e.g. Level 1 and 2 Visual Arts and MCAT.
