INSTRUCTIONS

The materials in the resource booklet will enable you to become familiar with the theme and contexts of this examination: **emerging global geographic challenges and potential solutions**.

Information to answer any question can be taken from any resource.

Your answers to ALL three questions must include:

- specific information from the resource booklet
- knowledge and insight you have gained from your studies in geography
- relevant original and / or effective visuals, such as maps, graphs, and diagrams.

Space for planning has been provided on pages 4, 10, and 16 to help you prepare your responses. The questions on page 3 are repeated on their respective planning pages.

QUESTION ONE

Critically evaluate and justify the most significant emerging global geographic challenge(s).

Use page 4 to plan your ideas, and begin your answer on page 5.

QUESTION TWO

Perspectives are bodies of thought, theories, or world views that shape people's values.

Justify which perspective(s) provide the most effective mitigation of the significant emerging global geographic challenge(s) outlined in your response to Question One.

Use page 10 to plan your ideas, and begin your answer on page 11.

QUESTION THREE

Discuss whether economic growth and environmental sustainability can truly coexist in the face of emerging global geographic challenges.

Use page 16 to plan your ideas, and begin your answer on page 17.
