2. Candidate entries

Schools are required to submit an entry file with all candidate entries for NCEA Level 3 and NZ Scholarship Visual Arts to NZQA by 1 September. Candidates submitting digitally (**Moving Image portfolios only**) must be flagged as DS (Digital Submission).

If schools have missed the 1 September 2023 deadline, a data entry file must be submitted to NZQA. Candidates' moving image portfolios cannot be submitted digitally if an entry has not been created.

If you experience any issues submitting your entry file, please contact the NZQA Data Management & Learner Records team on 0800 697 296 or schools@nzqa.govt.nz.

3. Derived grades

NCEA

A derived grade may be applied for by a candidate who, after 1 October, has suffered a temporary impairment including a physical injury or an emotional trauma, which has seriously impaired the candidate's preparation for submission.

The absence or impairment for the candidate must comply with NZQA's Derived Grade [guidelines](#).

A candidate seeking a derived grade applies to NZQA through the school by completing the relevant sections of the [derived grade application form](#).

The school submits a derived grade based on an assessment of the standard-specific evidence demonstrated by the candidate in the portfolio and other work. **There must be sufficient evidence available to confirm the candidate is performing at the level of the grade reported.**

Candidates must submit their portfolio of evidence as per the assessment specifications, regardless of the level of completion. The school must send the portfolio to NZQA along with the submissions from its other candidates.

A derived grade is **not available** where a candidate does not submit a portfolio.

NZ Scholarship Visual Arts

There is no derived grade process for NZ Scholarship.

4. Managing possible authenticity breaches

The submission of a portfolio by a candidate is regarded as testimony that the work is the candidate's own. If, when following the school's authentication process, a teacher has formed an opinion that the candidate work may not be authentic, and the candidate continues with the submission, the teacher and the Principal's Nominee must:

- inform candidates of the [Possible Authenticity Breach process](#)
- download and complete the [Possible Authenticity Breach Form](#). The candidate will be asked to respond to this form as part of any NZQA initiated breach investigation; it is a public document
- email the Possible Authenticity Breach Form to breaches@nzqa.govt.nz
- complete the process well before the submission date.

NZQA will initiate an investigation once the school's report is received.

5. Completing attendance rolls

All schools are required to complete and submit attendance rolls for candidates who are entered for any external Level 3 or NZ Scholarship standards. Accurate completion of the attendance rolls is important, incorrect data may create issues for results capture. Please follow the process below when completing the rolls.

Attendance rolls must be completed by 10 November.

The Principal's Nominee must:

1. Log into the [NZQA Schools' Provider Login](#)
2. Click *Reports* from either *School's Home* or *General Security Features*.

The screenshot shows the NZQA Schools' Provider Login interface for ABC High School. On the left is a 'PROVIDER MENU' with various navigation options. The 'Reports' option is highlighted with a red box. The main content area is titled 'ABC High School' and includes a 'Status of Submission Data' section with file creation and processing dates. Below this are sections for 'General Security Features' and 'Moderation', with 'Reports' also highlighted in red in the 'General Security Features' section.

6. Portfolio format requirements

Level 3 and NZ Scholarship Visual Arts portfolios may be submitted either as a three-panel portfolio board or as a moving image portfolio. For NZ Scholarship, a physical workbook is also required.

The body of work for the moving image portfolio should represent a similar amount of work as for the three-panel portfolio board. The moving image submission should not be merely a digital representation of the three-panel portfolio board.

More information on specific format requirements can be found in the [Assessment Specifications](#).

7. Authentication of candidate work

Candidates are required to sign the [Visual Arts Level 3 and Scholarship Authenticity Declaration](#) to stipulate that the work is their own. Schools are required to report to NZQA if they have concerns that any portfolio entered is not the candidate's own. If a school cannot authenticate a candidate's work, they should follow the process for possible authenticity breaches.

Completed and signed [Visual Arts Level 3 and Scholarship Authenticity Declarations](#) are to be attached (with sticky tape or glue) to the left panel on the outside of each candidate's portfolio, prior to submission to NZQA.

Schools who submit work without an authenticity declaration will be contacted by NZQA.

8. Materials for late entries

NZQA will only provide materials for entries made by 1 September. If schools have missed this deadline and need to make late entries, schools will need to submit a data entry file to NZQA, and follow the instructions below to produce temporary labels for each candidate's portfolio:

The **temporary labels** must include:

For outside of portfolio board:	<ul style="list-style-type: none"> • National Student Number (NSN) • candidate name and return address for portfolio • field name, e.g., Photography • standard number • large 'S' to denote NZ Scholarship, if relevant.
For inside of portfolio:	<ul style="list-style-type: none"> • field name, e.g., Photography • standard number.
For front cover of NZ Scholarship workbook :	<ul style="list-style-type: none"> • field name and standard number • National Student Number (NSN) • large 'S' to denote NZ Scholarship.

Temporary labels for moving image submissions are not required.

Do not attempt to create bar codes on any temporary labels. NZQA will generate new barcoded labels at the marking venue.

9. Late submissions

Late candidate submissions (**after 9 November**) can only be made if:

- an email is sent to examinations@nzqa.govt.nz, by the school's Principal or Principal's Nominee verifying that the late submission(s) was the result of an act of omission on the part of the school and that the candidate(s) has not worked on the submission after 9 November; and
- the email is sent prior to submitting the late work to NZQA.

Note: the subject line of the email will need to include '**Late submission – Visual Arts Level Standard**'.

Please check the candidate(s) are entered for the standard to be submitted. If there are no current entries, schools will be required to submit an entry file to NZQA.

NZQA will acknowledge the request and/or provide further instructions if applicable.

10. Submitting moving image portfolios

Candidates submitting a moving image portfolio will still receive personalised/barcoded labels but these are not required for submissions made digitally.

Further instructions on how schools must submit moving image portfolios to NZQA will be available by the end of August from the [NCEA Subject Resource – Digital Submissions](#) page. If teachers are unsure about whether their school is submitting work digitally, please discuss with the Head of Department or Principal's Nominee.

The [Visual Arts Level 3 and Scholarship Authenticity Declaration](#) should be included electronically prior to the upload.

Labelling requirements for NZ Scholarship portfolio boards

Labelling requirements for NZ Scholarship portfolio boards are identical to the labelling requirements of Level 3 portfolios, with the addition of a large S denoting Scholarship. An additional serial code label will be supplied to schools to attach to each NZ Scholarship workbook, as shown.

Example – NZ Scholarship workbook labelling

 <p>The image shows the front cover of a workbook. At the top, there is a green banner with the text 'FRONT OF WORKBOOK'.
