Information relating to all achievement standards

The assessments will each consist of three questions written in English based on the texts provided.

Text choices for both standards will reflect appropriate cultural contexts, for example Chinese-speaking communities, te ao Māori, the Pacific, and Aotearoa New Zealand. Texts may develop a line of argument relating to concrete and abstract matters of social interest.

In Level 3 Chinese examinations, candidates can respond in Chinese, English, or te reo Māori.

Further information about digital external assessment can be found on the NZQA website.
