Information relating to all achievement standards

The assessments will each consist of three questions written in English based on the texts provided.

Text choices for both standards will reflect appropriate cultural contexts, for example Korean speaking communities, te ao Māori, the Pacific, and Aotearoa New Zealand. Texts may develop a line of argument relating to concrete and abstract matters of social interest.

In Level 3 Korean examinations, candidates can respond in Korean, English or te reo Māori.

Further information about digital external assessment can be found on the NZQA website:

The Korean vocabulary list indicates language that will guide the setting of Level 3 Korean external assessments. This list is available on the Korean subject page.

Words not in the vocabulary list will be glossed only if they do not have common language usage or if their meaning is not evident from the text.
