Statement of Purpose for performed dance sequences

Sasa

Sasa represents a sense of togetherness, happiness, and joy and is used in celebration. It should have a joyful and celebratory expression. It was developed by 40-50 local high school students from different schools, and it is going to be performed by all senior dancers at the Senior Showcase in Term 3.

Locking

This locking dance is an expression of pop culture. It is youthful, playful, and fun. It should have a bound energy quality. It is intended that this dance will be performed at the Senior Showcase in Term 3.
