

6/4/11

This pattern is like my life
it's fast and sharp it has many
twists and turns it shows how
I live my life it has ruff edges
to show the bad and smooth edges
to show the good

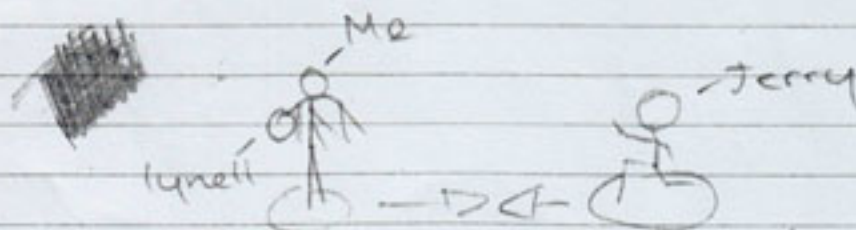

Do two movements that show
the bad and good about the
Journey through life. ~~the~~ loco Mota

8/6/11

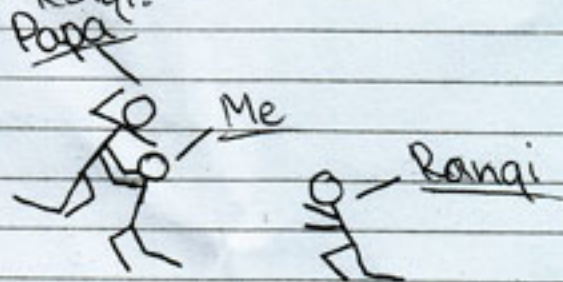

Rangi - Tane - Papa

- My Freez Frame is when I Rpted
Papa up onto my shoulders. Papa was
lynell and we had a fight, because
I didnt want to live in darkness
between Rangi - (Jerry) and Papa - (lynell)
So I pushed and showed my way.
through to separate them by using
contemporarie. dance movement. showing
the free movement through the fight
because I am a d d nature, swirling
and twisting. like trees.

- My 2nd Freez Frame

My Second Freeze frame is when I pushed Ranggi away by herself and pap comes at me trying to fight me trying to get back to Ranggi while I'm in the way. This show the How much ~~love~~ Papa loves Ranggi.

My third Freez frame is when we all moved together as one as a family untill I broke it apart because I didn't want to live in darkness every again between Papa & Ranggi.
