

Student 2: High Merit

NZQA Intended for teacher use only

### 91513 (3.2B) Student 2 - Extracts from student supporting evidence

Dramatic Concept:

After a physical exploration of a variety of NZ individuals such as Sir Edmund Hilary we settled on Sir Charles Upham and Willie Apiata both of whom won the Victoria Cross.

The final concept moved from specific individuals to two representative soldiers and their experience of war. We wanted to show the audience what war is like. The style of performance was physical and non-naturalistic.
