Subject: Thai language books in the school library	
Dear R_____	
①	I am writing to ask you for Thai language books in the school library.
①	I am a Year 11 ESOL student at T_____ College. I will be happy if you have Thai language books and other Thai students happy too because we remember our Thai language in New Zealand.
②	Before when we went to city library I saw them, please can you look for me because we don't know where we can find them.
	I look forward to your reply.
	Kind regards
	A_____.
