### Personal Statement

I am currently a senior student at D \_\_\_\_\_ High School. I would like to make a career as a professional of a spatial designer. I have been learning English and the difference of culture in New Zealand. I hope I promote relationship between Japan and other countries more than before.

### Skills and abilities

- creativity  
I have been taking art class since I entered my elementary school for 11 years. I learned many skills such as drawing, painting, designing, claywork and calligraphy there.
- Leadership skill  
As a captain of table tennis club of my junior high school, I lead other younger students...
- Time management skill  
Since I was a child, I had been learnt swimming, the piano, tennis every weekend and at night in weekday while I went after-school day care center every day. Therefore I am able to multi-task.

### Work experience / Volunteer experience

- 1) customer stuff at a convenience store
- 2) care giver for handicapped people (2017-2018)
- 3) cleaner (2015-2016)

### Education

Achieved with excellence. D \_\_\_\_\_ High School, 2019

- Mathematics
- Japanese
- Art

### Interests and hobbies

I love windowshopping and look around furnitures. I am interested in antique ones. I also like playing table tennis, drawing in my space time.
