Ka hoki ki ngā korero a Rangitauira mō ngā kura huna me ngā kupu whakarite ū roto, kei reira pe a e rongo ana ki ngā taumahanga o ngā kōrero (2). Koinei tētahi rautaki e pupuri ai tātou ki ngā taonga tuku iho a ngā Mātua Tūpuna. I ēnei ra, ka kōrerohia ngā kaupapa ū te wā, pēnei i ngā take tōrangapū, i ngā haerenga ā te rangatira, ngā take e pupuri ai tātou ki te reo me ūna tikanga hoki (3).

## How your learning in this discipline shaped your view of Te Ao Haka? (kupu, beats, skills, messages)

Ka nui aku akoranga nō te moteatea e whakatinana ana i taku ao haka, arā ko ngā kai ō roto, ngā kaupapa ō ngā Moteatea e whai hua ai tātou i tēnei ao. He mea tino whakahirahira tēnei, mei kore ake ēnei korero tuku iho, kua kore he mana tō te ahurea ō te Māori.

I te mea karekau he āringa tō te moteatea, mā te tinana me ngā kupu e whakaatu atu i ngā kaupapa maha o te ao o ngā tupuna, ka tino rongo i te mauri ō ngā Moteatea.

Ko te pao ki ahau tētahi meka matua ki roto i ngā mahi ō te ao haka, arā, te pao ō te waiata, te pao ō te taki, te pao ō te takahi, mā tenei e noho tahi ai matou. He pukenga te noho tahi ki te ia o te Moteatea. Hei tauira, ko te au o tētahi waiata tangi, pēnei i te Moteatea o Raukura (2019) E tō te rā, he rangi uaua, me noho ki te taki o te kaitataki e kawe ai i te waiata nei, arā i te tau (2022) i mahi mātou i te Pātere Whakarongo mai rā e tangaroa, ara e toru ngā momo pao kei te Pātere nei, mā tenei rautaki hoki e kore ai mātou e kaihorotia i ngā kupu. (4,5, 6)

Te taha whakaatu, i te mea karekau he aringa, ko te tinana kē e kōrero ana, me tino rongo i te pōuri i ngā kareāroto a mata. Ka hoki aku mahara ki taku tū tuatahi mo te kura tuarua, i raro au i ngā parirau ō Whaea Laurelle. I au e tū ana ki te kapa o Raukura, i waiata mātou i te moteatea “kaore te aroha”, he moteatea rerekē, he waiata tangi hoki. I tino uaua māku ki te urutau ki tēnei moteatea, he ngāwari ake māku ki te waiata i ngā moteatea kia puāwai i te ihi, te wehi, te wana hoki. Engari nā te marō ō tā Whaea Laurelle, i ako au i ngā pukenga maha, kia ea taku tū ki te ataamira. I ngā tau kua pahure i aku tau o te wharekura, kua panoni taku kitenga o te moteatea. He tino mana tō te Moteatea, kua whakatinana ngā akoranga Moteatea i au i runga anō i ngā kōrero tuku iho, ngā pukenga ki te tū ki te moteatea, te pao o ngā moteatea hoki. Nā enei meka kua puāwai i au i roto i te ao haka.

# What are three important qualities a kaihaka needs in this discipline and Why?

- 1, Te Reo
- 2, Manawa Taki
- 3, Kare a roto

Ka nui ngā whakaakoranga e piki ai te kounga ki te moteatea heoi ki au nei ko ngā whakaakoranga matua e toru ko TE REO, TE MANAWA TAKI me ngā KARE Ā ROTO o te momo moteatea.

**Te Reo** - Ko te take he mea nui te reo ki ahau i te mea me mārama ki ngā kōrero tuku iho, me mārama te kai haka he aha wāna kupu kia puāwai ai te moteatea.

**Te Manawa Taki** - Ko te pao e ūrite ai te kapa, ko te īere o te moteatea, ko te waiata ngātahi e moteatea nei te kapa.

**Kare a roto** - Mā ngā kare ā roto e kawe pea i te moteatea kia mārama ai ngā kaimātakitaki ki te momo o te moteatea, mā konei e rongo ai i te mamae, i te riri rānei o te moteatea

# Can you see from your experience, what sort of evolution will this discipline take on to last into the future?

Kātahi rā te pātai ko tēnei, ki au nei me aku pōhehe me aku wheako anō hoki, ka rāngona noa iho te moteatea ki ngā tangihanga, ki nga whakataetae noa iho, me taku mataku ki te taki moteatea i runga anō i te pōhehe mā te marae anakē tenei. Kei te kite ahau i ēnei rā kei te huri te āhua o ngā moteatea i runga anō i ngā kaupapa o te wā. Heoi e ora tonu ana te moteatea i a tātou te iwi Maori. Hei tauira I te tau 2019, ko tā te moteatea ō Mōtai tangata rau, i korerohia mō ngā rangatira o ēnei rā, me haere mā runga tereina, waka topatopa, nō reira ahakoa te mīharo o te kaupapa kua panoni ki ngā rā ō inamata.

Ko tā Paraone Gloyne, i ēnei rā kia kaua tātou e whakatapua te moteatea, ahakoa ka waiatahia ēnei ki ngā Tangihanga, ki ngā whakataetae, me whai wāhi kē atu te moteatea i roto i tēnei ao, me kimi he wāhi e ora ai te moteatea ki ā tātou, nō reira waiatahia, waiatahia ki ngā wāhi katoa.

Nō reira ki au nei āe, ka whai wahi te moteatea mō ake, i runga anō i ngā kaupapa o te wā ahakoa ngā panonitanga. Ka huri te ao, me ngā tikanga. Heoi, me noho pūmou tonu tātou ki ngā tikanga o te take o te kawe moteatea. (7)

# In terms of the challenges that you have experienced in this discipline, what do you now know about resilience?

Resilience - aumangea

Ki au nei ko te aumangea te tino meka matua o te ao haka, me pēhi ēnei taumahatanga, me tika, me mārama, me māia, me whakapatu tēnei mea te whakamā e puāwai ai tētahi hōtaka ō te ao haka. Mā te whakaharatau, mā te whakatika, mā te hapa e tika ai te tū, e ea ai ngā mahi ā te Māori. (7)

## ***Whakakapunga***

*Huri te ao huri anō ngā take o te wā, kua kaha a ngai Māori ki te whakamana i ngā tikanga me ngā kawa o te ao haka, ko te moteatea hoki te pekanga ka kawea e mātou nō ngā rā ō inamata. Ki au nei ko te moteatea he huarahi anō ki te ako i ngā kōrero tuku iho, ki te ako hoki i te reo me ūna tikanga. (7)*
