## Assessment Specifications

Ākonga will perform **TWO** different Te Ao Haka disciplines, which will be captured digitally on video. Each performance should include a complete item with a sustained performance of ihi, wehi and wana (see 3.3 Te Ao Haka Aromatawai for a description on ihi, wehi, wana and sustained performance). - Te Ao Haka | NZQA.

Ākonga may be recorded individually, or with others, and video capture may be the result of planned video recording sessions or NOA (naturally occurring activity).

Students must have performed the **TWO** different Te Ao Haka disciplines within the year of submission (including but is not limited too: Te Matatini, National or Regional Competitions, and other events such as Kura, Iwi, Hāpori). Performances outside the year of submission will not be accepted.

Please check the Kete Manarua website here - [Kete Manarua](#)

The Kete Manarua displays some examples as options for the teacher. It is for the teacher to decide whether to use these example(s), whether to use practice work, or whether to prepare another Assessment Task.

## Conditions of the Assessment

This is an individual piece of work with evidence preparation for external assessment by the student. To successfully complete this Digital Kete Manarua:

- must be published as a PDF;
- the file size must remain under 5GB to enable smooth uploading to the Online Digital Submission Portal;
- the work must be correctly organized;
- the work must be correctly laid out (must not be sideways or upside down);
- the document must be securely attached to the cover page, and submission of separate files is not permitted.

## Ākonga Authenticity Statement

How will the authenticity of the work by the ākonga be authenticated? A process and evidential trail must be evident in order to demonstrate the authenticity of a student's work. The students, teachers and school community should be aware of the authenticity process.

Plagiarism is an easy error to avoid. The ākonga may cite the people and bodies of works referred to in their work.

### For example:

- a brief sentence showing the origins of the work
- a reference page is attached at the end of the written task
- an acknowledgement to the person, or source of assistance
- the different forms of information support;
  - » oral communication: interviewing elders, adults, leaders, experts
  - » published works
  - » unpublished works
  - » websites and hyperlinks.
