

My idea for this photoshoot is of children/teenageers being forced to become adults and act older than they are, and in this photoshoot I show a teenageer taking off her childhood clothes and becoming an ~~adult~~ adult.

To improve make subject more child like i.e. - pig tails.  
 - freckles  
 - teddy bear.

**Oral Critique**  
 Whats the theme or idea  
 Child/Teen being forced into adulthood  
 How have you shown this theme/idea?  
 By having a girl take off her childhood clothes to reveal adult (more mature) clothes.  
 What visual elements are used to support your theme?  
 Lighting on the object / model and not on the background. Black shows the depressing feeling.  
 How could it be improved  
 Some photos could be more clear to show expression.  
 Some could show more related to the theme  
 What are the best photos
