Photoshoot EIGHT

Notes for Photoshoot Eight:

- at center, looks good
- look to red. Looked pale, lets you focus on the more hands to face contrast in skin change drawing your eye to her cheek
- no much redness also brighter eyes and the
- the person was taken the way it looks
- Maybe have less of a bright red face

Notes for Photoshoot Eight:

- the way the hand of someone else makes it on the hand is positioned as if someone is worried
- the way the hand of someone else makes it on the hand is positioned as if someone is worried
- the way the hand of someone else makes it on the hand is positioned as if someone is worried
