my idea for the photo is of children/teenagers
being forced to become adults and not able then they
are and in this photo I show a teenager taking
off her childhood clothes and leaving on ~~adult~~

To improve, make eyes more clear for ... ~~eyes~~

Oral Critique

What's the theme or idea

Child/teen being forced into adulthood

How have you shown this theme/idea?

By having a girl take off her childhood
clothes to reveal adult (more mature) clothes.

What visual elements are used to support your theme?

Lighting on the object/model and not on
the background. Black shows the depressing feeling.

How could it be improved

Some photos could be more clear to show
expression.

Some could show more related to the theme
