Found Imagery and Artist Models

If found images and artists models are used candidates must declare and list with website URLs.

Design candidates in the top left of panel one, need to include clearly labelled 'Sourced Reference Images' that display thumbnails of external visuals used in their work. This is alongside their brief that outlines the parameters for generating and developing their work towards specific outcomes.

Disclosing AI use

Candidates will be required to disclose the use of AI. This requires a clear description of how AI has been integrated in the visual arts practice including the tools, the role, and specific tasks performed by AI, and the extent to which AI has contributed to the final artwork. Candidates must identify the specific AI software used in the creation of the artwork, describe the functions performed by AI, whether in generating visual elements, assisting with composition, or enhancing existing artwork.

Declaration of authenticity and image use

I confirm the material that I am submitting for assessment is my own, and that I have included references to all external sources.
