Summary of review and consultation process

During 2011, a mandatory sector review of qualifications in the Tourism Māori (Levels 3, 4 and 5) sector occurred. The review encompassed broad consultation with an expert panel of representatives from the tertiary sector (private training establishments, wānanga, polytechnics), tourism business operators, iwi groups, and national and regional tourism organisations, to ensure that the new qualifications meet current and future needs.

The review resulted in the national qualifications listed above being replaced by New Zealand qualifications, as detailed below.

Main changes resulting from the review
