Rationale for the new or changed classification

Please provide a brief rationale for the addition or change. For example, a new category of learning or training has been identified; industry terminology has changed; rationalisation or expansion of existing classification categories is required.

For a new classification, list the draft titles of the new unit standards that will be classified in each new domain (or attach the list to this form)

SECTION 2**Impact of the change on existing unit standards, consents to assess, and qualifications**

Please complete the three impact sections below or attach a completed draft of the [unit standard review or revision report](#). A unit standard [review support package](#) may be needed for this process.

Impact on existing unit standards

List the registered unit standards affected by the change to the classification system.

Existing classification

Subfield	Domain	Id

New classification

Subfield	Domain	Id

Impact on existing organisations with consent to assess

List the domains and/or subfields for which organisations currently hold consent to assess and indicate how consent to assess will be extended to take account of the change to the classification system.
