What actually is NCEA?

NCEA stands for the National Certificate of Educational Achievement. It is the main qualification for senior secondary school students, and it is available at Levels 1, 2 and 3 on the New Zealand Qualifications and Credentials Framework (NZQCF).

NCEA is for everyone, whether you want to do an apprenticeship, go to university, or be ready to get a job when you leave school.

How can we find out more about NCEA?

To learn more about NCEA contact our NCEA me te Whānau team or scan the QR code to book a workshop.

NCEA me te Whānau workshops are informative, fun and interactive and they have been designed to help students, parents and school communities understand NCEA.

What are STEM subjects and why are they important?

STEM stands for Science, Technology, Engineering, and Mathematics. These subject areas are very important for the future of Aotearoa. It is predicted that almost all future jobs will require some STEM capability.

There are many reasons to study STEM subjects at secondary school: they can lead to better paid/more secure jobs, STEM jobs are increasingly important for our future in Aotearoa, there are still skill shortages in these sectors.
